

## 준비

다음과 같은 내용으로 yesterday.txt 파일을 작성하시오

Yesterday all my troubles  
seemed so far away.  
Now it looks  
as though they're here to stay.  
Oh, I believe in yesterday.

Suddenly I'm not half  
the man I used to be.  
There's a shadow hanging over me.  
Oh, yesterday came suddenly.

Why she had to go,  
I don't know,  
she wouldn't say.  
I said something wrong,  
now I long for yesterday.

Yesterday love was  
such an easy game to play.  
Now I need a place to hide away.  
Oh, I believe in yesterday.

Why she had to go,  
I don't know,  
she wouldn't say.  
I said something wrong,  
now I long for yesterday.

Yesterday love was  
such an easy game to play.  
Now I need a place to hide away.  
Oh, I believe in yesterday.

Mm mm mm mm mm mm mm

## 문제1

단어를 key로 사용하여 각 단어의 갯수(value)를 카운트 하시오.(모든 단어를 소문자로 변환 후 처리, 딕셔너리로 저장, 단어의 순서는 바뀌어도 됨)

### 출력 예

```
